

**Benotung eines externen Moduls
Grading of an External Module**

Grade 1 - "very good" outstanding performance
 Grade 2 - "good" performance clearly above average requirements
 Grade 3 - "satisfactory" average performance
 Grade 4 - "sufficient" performance, despite defects, sufficient for the requirements
 Grade 5 - "insufficient" performance with considerable defects and not sufficient for the requirements
 To differentiate assessments of the examination performance the grades can be raised or lowered by 0.3 points - the grades 0.7, 4.3, 4.7 and 5.3 are ruled out.
