Dear International Researchers,

On December 7, the Goethe Welcome Centre will reward the best photos of this year's photo competition "Germany the way I see it: Hidden Beauty".

During the ceremony, the Goethe Welcome Centre will symbolically award the first three choices of the committee. The best five photographs will be displayed within our premises on Campus Westend (Bauleitgebäude, between PA Building and Casino) and on our website.

The GWC team is very much looking forward to your contributions!
