Thu., 20.10.2022 GWC's Orientation Event

The winter term starts with GU's Orientation Event for all new international researchers and PhD candidates. The GWC offers an indispensable introduction to GU's administrative structure and units.

An introduction to Goethe University and GWC's services will be given to make your onboarding easier. All researchers will have the chance to get in contact with the staff of GWC and other members of GU's community of international researchers. Furthermore, your questions, which might have arisen during your relocation and first weeks of your stay in Frankfurt will be answered.

The event will take place online on 20.10.2022 from 4:00 p.m. to 5:30 p.m. The event is held online and is free of charge. Please join the event with the following link:
