The Museum Giersch of Goethe University Frankfurt currently hosts the Art Collection of the Deutsche Bundesbank. With a selection of around ninety artworks, the presentation "Change of Location" of the Central Bank's prominent collection provides a striking overview of the collection from the 1950s to the present—including works by artists such as Georg Baselitz, Rupprecht Geiger, Isa Genzken, Katharina Grosse, Ernst Wilhelm Nay, and Jorinde Voigt.

The guided tour through the exhibition will start at 3.00 pm and the visit will last two hours until 5:00 pm. This event is free of charge.

Please register with an e-mail to events_gwc@uni-frankfurt.de by 27.11.2022 if you are interested in participating. Unannounced no-shows after registration may lead to an exclusion from further GWC activities. Family members are most welcome on all of our activities.
