

**Sibel Ulucan**

Advisory Services Officer at International Career Service Rhein-Main

# International Career Service – Offerings for international students

Career Service at Goethe-University offers:

## Individual consultation

- ❖ Career coaching
- ❖ Orientation within and perspectives on the German job market
- ❖ Checks of application documents
- ❖ Scholarships
- ❖ Job placement (Job Agency)

Career Service at Goethe-University offers:

## **Workshops and events**

- ❖ Application process and profession
- ❖ Key competencies
- ❖ Future Skills Training / Digital Pioneers
- ❖ Practical lectures (focus on humanities and social sciences)
- ❖ NaWi-Career / Matching days / Job fairs

## **Company contacts**

- ❖ Job fairs (Humanities, MINT, IT, Economics, etc.)
- ❖ Matching Days

## Mentoring - GROW@Goethe

- ❖ Students at Goethe University are matched with experienced and professional mentors.
- ❖ Mentors offer support in orienting students for their future careers and impart important knowledge and practical experience from the professional world.
- ❖ Accompanying program: A variety of regular events such as lectures, workshops and networking events.

## International Career Service Rhein-Main

- ❖ Specifically for international students
- ❖ Counseling services, workshops and lectures are tailor-made for their specific needs.

<https://ics-rm.de/unsere-angebote/>

Preparation for the time after graduation and a successful entry into the job market:

- ❖ Career Guidance
- ❖ Future Skills Training / Digital Pioneers

## Matching Week 27.11.-01.12.2023

The new online career week for international students/graduates in the Rhine-Main Region

**Who?** International students, refugee students and students with a migrant background

**What?** Students and graduates\* are brought together with employers in an online recruiting format.

**How?** Applicants upload their CVs on the website.

Employers select their candidates.

Interviews with the candidates take place in video calls.

**We support you with a special workshop program and coaching!**

**<https://ics-rm.de/matching-week/preparatory-offers/>**

## „What comes after graduation and what prospects and opportunities do I have?“

- ❖ Develop strategies for your professional future
- ❖ Finding your own career path
- ❖ Resource analysis: We bring your interests, competences and experience into your personal profile together.
- ❖ The job market is complex and diverse. Which work or sector fits your profile?
- ❖ Initial professional experience (internships, as working students, trainee positions) for your career entry
- ❖ Making business contacts

# WHAT ARE FUTURE SKILLS?

Future Skills are additional skills and competencies that are important for mastering future fields of work in the labor market:

**Digital Skills** – the competent use of digital media and communication technologies

**Technologische Skills** – the expertise to use innovative technologies.

**Transformative Skills** – visionary solutions for new challenges such as change competencies

**Soft Skills** – Basic skills for the professional success as individual as well as organization

Couple of examples of upcoming Workshops:

<b>07 November 2023</b>	Digital Pioneers: PHONT: The New Media with Artificial Intelligence
<b>09 &amp; 10 November 2023</b>	Basics of Agile Working
<b>16 &amp; 17 November 2023</b>	Visualisation & Moderation Techniques
<b>30 November &amp; 01 December 2023</b>	How does AI change our life? and Prompt Toos

# GOOD REASONS FOR A JOB OR AN INTERNSHIP DURING YOUR STUDIES

Improvement of financial situation

Networking: Contacts for the future

Improvement of language skills

Insight into jobs and working life (work culture)

Contribute and test your skills and talents

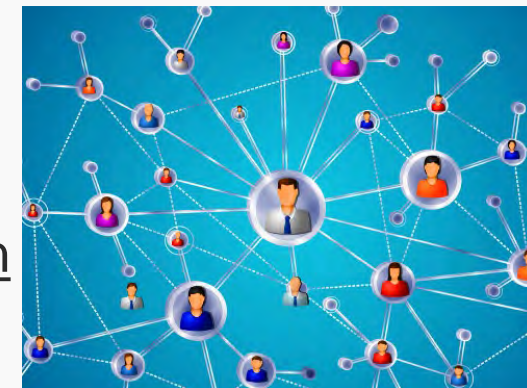

Enhance your CV and attractiveness on the labor market after finishing your studies

# TIPS: PREPARE FOR ENTERING THE JOB MARKET

## Preparing your career during your studies is essential!

- Internships (Get to know employers and work areas)
- Jobs that are beneficial to your studies (relevant skills and practical experience)
- Volunteer work: social commitment (showing willingness to work, acquiring skills)
- Build professional networks:

[https://www.uni-frankfurt.de/77010045/Richtig\\_Netzwerken](https://www.uni-frankfurt.de/77010045/Richtig_Netzwerken)

# JOB SEARCH AND APPLICATION

## Tips!

- ❖ Wait until the end of your 1. semester before looking for a job (maybe try voluntary work)
- ❖ Try to work during the lecture-free periods and no more than 15 hours during the lecture period
- ❖ Find out about **residence law conditions** when looking for jobs or internships
- ❖ Well-structured application documents that meet the formal standards are very important  The application and CV usually look different in Germany than in your home country
- ❖ Do not be afraid to apply! (Feel free to contact the advisory services at Goethe University)
- ❖ Read and understand job advertisements: interpret the described requirements correctly
