

Visit to the famous Brothers Grimm village Steinau an der Straße and the medieval Christmas Market in the castle of Steinau On December 2nd, 2023

Steinau is a charming village located between Frankfurt and Fulda and famous for its long history and beautiful frame houses. The famous brothers Grimm used to live in this picturesque small town on the ancient trading route between Frankfurt and Leipzig. Inside of the courtyard of its medieval castle, the historical Christmas Market will take place.

We invite you to join us on our visit to this Christmas Market. You will be charmed by the romantic atmosphere: Colourful stalls, steaming hot mulled wine, local handcrafts and a great variety of typical German Christmas foods are waiting for you.
