at Maxon Computer GmbH in Bad Homburg (metropolitan area Frankfurt/Main, Germany)

If you want to be a Maxonian and help bring the best 2D and 3D visual effects, motion graphics, gaming, AR/MR/VR, visualization and design software to the market, then we should have a chat

### WHO WE ARE:

Packed with brilliant, passionate people, Maxon is deeply rooted in the creative industry and committed to empowering the artistic community. We are Maxonians. We encourage and motivate each other to be curious learners. We are obsessed with customer fulfillment and inspiration – before, during and after purchase. If you too want to be a Maxonian and help bring to market the finest software products for 2D and 3D visual effects, motion graphics, games, AR/MR/VR, visualization and general design, let's talk.

### WHAT YOU WILL DO:

- You will be part of the student licensing program
- You will support Legal Team with research and analysis of data
- You will have access to the Company's archives and database and will have to keep it updated
- You will conduct student license reviews, verify compliance with educational licenses and address licenses infringements
- You will not only be working side-to-side with Legal but with Support and Sales Team

### WHAT WE ARE LOOKING FOR:

- You are studying Law, interested in IP or Antipiracy law or initiatives
- You have superb verbal and written communication skills in English and preferably in German
- You have a team attitude and a sense of humor
- Interested in the software industry

### WHAT WE OFFER:

You will be part of a highly motivated international team of specialists working in an environment that offers a warm welcome with detailed onboarding and a dedicated mentor for a familiarization period as well as a wide range of individual development possibilities. Interested in joining our team? Fill out the form or email us your resume/CV (.pdf).

Don't meet every single requirement? At Maxon we embrace diversity, are avid explorers and curious learners, so if you're excited about this role but your experience doesn't entirely match every qualification in the job description, we encourage you to apply in any case. You may be just the right candidate for this or other positions. We're looking forward to hearing from you!

Maxon is proud to be an equal opportunity workplace.
