4. Further information

4.2) In my opinion the strengths of the course are:

- the structure and materials

PPT is used
Groupwork
guest lecture

The concepts introduced are well explained and interlinked with the texts given. The course is very helpful for understanding the China's political system as a whole.

The clear structure of the course & the willingness of the instructor to answer questions & discuss issues.

interdisciplinary, comprehensive, ...

The course is well structured and provides useful information, relevant today. Students are highly involved in participation/discussions and encouraged to work.

- discussion about helpfulness of ...
for ...
take ...

4.3) In my opinion the lecture could be improved by:

INTERNET IN THE CLASSROOM

The participation rule is not necessary. I think it is most restrictive.

more discussion between students as we seemingly have diverging opinions sometimes, might be interesting

I would do like to have some presentation feedback in personally

administrative things: exam is too early

A few more current examples the use of video media every once in a while

some more of the workshop but that might be fine as the same is already being discussed in the next session
