Goethe Graduation Academy of Germany will facilitate doctoral studies for Bangladeshi students in climate and environmental science, molecular biology and other pure science and social science subjects, said officials of the academy.

The academy will help Bangladeshi students enrol in Frankfurt's Goethe University for completing their studies, Dr Heike Zimmermann-Timm, managing director of the academy said after her meeting with the vice-chancellor of Dhaka University, AAMS Arefin Siddique, at the VC's office on Monday.
