

## HOW TO USE KINDERNETFRANKFURT.DE AND FIND AN APPROPRIATE CHILD CARE SPOT IN FRANKFURT

[Kindernetfrankfurt.de](http://Kindernetfrankfurt.de) is the central municipal portal for the information on and application for child care in the Frankfurt area and thus helps you to find appropriate child care for your children age 0-12. You should apply for any given child care facility (be it publicly, ecclesiastically or independently funded) through the portal.

Unfortunately, the portal is only available in German. Thus, the [Equal Opportunities Office at Goethe University Frankfurt am Main](#) created this short guide in English that will help you to find your way through the portal. In the following pages, you will find screenshots of the portal on the right side with explanations and translations in English on the left side.

Types of childcare available:

- communal daycare centre (“Kita”)
- day nursery / crèche
- kindergarten
- after-school care centre
- extended school care centre (“ESB”)
- childminders / in-home day care

You should register first and insert your personal data and requirements. Then, you can apply directly through [kindernetfrankfurt.de](http://kindernetfrankfurt.de) for a child care spot and get an answer from the respective child care providers.

## 5. ENROLLMENT PROCESS

The allocation of the available child care spots is decentralized which means that you will get an answer to your application directly from the respective child care facility. Please check your E-Mail account frequently. Once you get an invitation to a contract talk via E-Mail, please log-in to kindernetfrankfurt.de and confirm one of the two dates they will offer you (click on the green bar “Terminvorschlag bestätigen”). If you cancel both options, please contact the child care facility personally in order to schedule a new appointment.

You will sign a written contract with the previous child care facility. Immediately, the child care facility will confirm the enrollment and cancel all other pre-bookings in the portal. If you would like to delete your kindernetfrankfurt.de account, please log in, click on your name in the menu bar and then choose “Benutzerkonto löschen”. You will not receive any further E-Mails and all pre-bookings will be deleted.

Please note that the spots are accounted by the child care facilities themselves. Kindernetfrankfurt.de or the Equal Opportunities Office at Goethe University Frankfurt am Main have no influence on the decisions of the previous facilities.
